

LET US HELP YOU FIND THE
Perfect Match

Dear Reader,

With all the books in the library, we know that it can be hard to choose a good book. Everyone has different tastes in reading; what someone else enjoys may not be what you enjoy. So we have designed this program to help.

By answering the questions below, you will give us the information we need to create a reading list of ten books just for you! Just return this form to the Children's & Programming Desk and we will call you when your personal reading list is complete.

All information will be held in confidence.
